Melissa's sweet & juicy neapolitan tangerines

Neapolitan Tangerines are great for their unique, candy-like sweetness, low acidity, easy-peel skin, and being almost entirely seedless, making them perfect for snacking or adding to dishes.

\$3.48
ea.

Melissa's melogolds

The MeloGold Grapefruit is a cross between a Pummelo and a White Grapefruit. This fruit is extremely large with yellowish green pebbly skin and pale yellow flesh that is sweet-tart in flavor. Like a Pummelo, this fruit has a thicker rind than regular grapefruit, is almost seedless and is very juicy.
